Sir,

With reference to your letter No.75, dated the 29th September 1951, addressed to the Superintending Engineers of Circles, I am directed to state that orders issued by Government are meant to be carried out and there is no question of not giving effect to Government orders. In case there are any instances where orders issued by Government have not been carried out, I am to request you to point out specific instances, so that necessary action can be taken. I am also directed to add that such enquiries seem superfluous and should be avoided as far as possible.
